INTERNATIONAL MASTER
MISTRE
VALENCE

UNIVERSITÉ
**Grenoble
Alpes**

&

Grenoble INP
ESISAR

F R A N C E

Master in Integration, Security and TRust in Embedded systems
Joint diploma delivered from Grenoble INP and Univ. Grenoble Alpes

MISTRE Valence focuses
on the embedded systems
involved in critical and secure
distributed systems:
smart systems (home, building,...),
connected objects, etc.

COURSES ARE ALL
TAUGHT IN ENGLISH!

MASTER CLASSES & PRATICAL WORKS

MASTER DEGREE
Joint diploma Grenoble INP & UGA

MANY JOBS &
Ph.D. OPPORTUNITIES
Embedded systems are everywhere

300 HOURS OF CLASS
Including 100 hours of labs
+ 60 hours of project works

NUMEROUS SCHOLARSHIPS
IDEX, Eiffel or INP foundation

INTERNSHIP
Strong connection with industry
and laboratories

EMBEDDED SYSTEMS & INNOVATION PROJECT
15 ECTS

DISTRIBUTED SYSTEMS SAFETY & SECURITY
9 ECTS

HARDWARE SECURITY
6 ECTS

OR

DECENTRALIZED
CONTROL - 6 ECTS

HW/SW Embedded Systems
Security & Safety

TARGET SKILLS:
HW/SW Systems Modeling, Design
& Validation

Command & Control of
Secure Distributed Systems

TARGET SKILLS:
Design of complex systems, design of
critical software, Modeling & control
of distributed complex systems

INTERNSHIP (5 or 6 months)
30 ECTS

APPLICATION
BETWEEN
1ST JANUARY
& 15TH APRIL

ADMISSION LEVEL:

- › Master 2 (after one year of a Master or equivalent including courses in Computer Engineering or Electrical Engineering)
- › 16 foreign students max
- › English language B2 level

HARDWARE/SOFTWARE DEVELOPMENT - SECURITY & SAFETY
